

The 16-Point Accessory Rule

Points Earned	Outfit Checklist Start at the shoes and work upward.
	Feet <ul style="list-style-type: none"> • 2 points for shoes, 1 point for each shoe • 1 point for a pretty pedicure displayed through open-toed shoes
	Legs <ul style="list-style-type: none"> • 1 point for fashionable tights or leggings; no points for regular panty hose
	Body <ul style="list-style-type: none"> • 1 point for each basic garment you are wearing • 1 point extra for each multi-colored garment (Ex: black jeans, multi-colored shirt, black jacket = 1+2+1=4 points) • 1 point for wearing a belt
	Face <ul style="list-style-type: none"> • 1 point for wearing glasses • 1 point for wearing make-up • 1 point if you've received a compliment on your hair in the last two weeks
	Jewelry <ul style="list-style-type: none"> • 1 point for each ring; wedding ring set = 1 point for set • 1 point for nice nails; well groomed, no chipped polish • 1 point for each watch, bracelet, or bangle • 1 point for each earring • 1 point for a necklace, single strand and proportionally sized • 2 points for a necklace, double strand, triple strand or large sized
	Add-On Accessory <ul style="list-style-type: none"> • 1 point each for a shawl, hat, scarf, wrap, or other add-on accessory item • 1 point for handbag, if you are carrying it with you 100% of the time as a part of your outfit
TOTAL	Add up your points and determine your score.

Your score means:

0	Well, you would be naked!
0-12	Girlfriend, you need some accessories. Run out and get some NOW!
12-14	Almost there, but not quite. Determine where you can add something. Consider a bracelet, a ring, or maybe painting your nails.
14-16	Well done, my friend! You've got it goin' on!
17+	Too much, sister. Take some things off until you settle at 16.
